

Internship Opportunity for Summer 2016 (and beyond):

Musselman & Hall, a large Kansas City-based contractor, is looking for a construction management intern for Summer 2016. The position would be full time during Summer 2016 and located in Kansas City. Junior and Senior students in Civil Engineering and Architectural Engineering are preferred.

There is potential for this to become a long-term position upon graduation. Musselman & Hall are even happy to support part-time work (15-20 hours per week) during next school year, if desired. They are also open to the idea of transferring to St. Louis after graduation, or staying in the KC area, etc.

All interested applicants are encouraged to email their resumes directly to:

Kyle VanSlyke

Vice President

Musselman & Hall
