

CEAE SCHOLARSHIP APPLICATION
Garney Construction Scholarship
For Students Interested in Construction Engineering

Applications Due to Prof. Li, 2150 Learned Hall by noon on November 4th, 2016

Description: The Garney Construction Scholarship will be awarded to deserving students studying civil, environmental or architectural engineering with an interest in utility/heavy civil construction. This award is available to undergraduate students studying full time. A total of \$1,000 is available for one award for this Fall semester. Recipient will be selected based on merit and demonstrated interest in construction.

Requirements:

- Must be studying civil, environmental or architectural engineering at the University of Kansas
- Must enroll in at least 12 credit hours per semester while receiving the scholarship.

NOTE: If you are currently on a departmental scholarship, this award may replace a portion of your existing award. However, the total amount of your departmental scholarship package will be increased if you receive this scholarship.
