SCHOLARSHIP OBJECTIVES

The R. Spencer Delamater, P. E. Scholarship was established in 1999 for the purpose of inspiring civil engineering students to high achievement in both academics and leadership. The scholarship amount is $1,000 applicable for the 2018 Spring semester and available to a Kansas State University, University of Kansas or Benedictine College civil engineering junior or senior that is a U. S. citizen and a Kansas resident. The objectives of the scholarship are to:

- Recognize achievement in leadership in organizations that are devoted to the betterment of the Civil Engineering profession and society.
- Recognize scholastic achievement.

ELIGIBILITY AND SELECTION CRITERIA

The following will be used to determine scholarship eligibility and criteria for judging:

1. Academic performance through the 2017 Spring semester of at least a 2.5 GPA. The selected student will be asked to provide a transcript of grades through the 2017 Spring semester (an applicant may submit the transcript with the application).

2. Having completed 75 credit hours minimum of graded work for juniors or 105 credit hours minimum for seniors by the end of the 2017 Fall semester.

3. Be a U. S. citizen and a Kansas resident. Preference shall be granted to students that graduated from a high school or community college in the 37 county Wichita Branch territory prior to attending Kansas State University, University of Kansas or Benedictine College. A map of the Wichita Branch territory is provided.
4. A member of and involvement in the student chapter of ASCE.

5. Campus and community activity.

GENERAL

Applications may be submitted either electronically or via hard copy and must be e-mailed /post marked by Friday, October 27, 2017 and received no later than Monday, October 30, 2017. Only information provided on the Application Form will be evaluated. Provide a completed Application Form plus a copy of your Kansas driver’s license. You may also, at this time, provide a copy of your transcript.

The Scholarship Selection Committee will select the winner based upon the criteria shown on the Application Form and from consultations with the applicable civil engineering department faculty. The Wichita Branch of ASCE reserves the right to waive irregularities and/or not award a scholarship.

The chosen student will be notified this Fall and, upon receipt of a transcript (if not already provided), will have deposited in your school account $1,000 to be applied for the 2018 Spring semester tuition. Non-attendance in your civil engineering program for the 2018 Spring semester will void the scholarship award.

In case of a tie the application received earlier shall receive preference.
